M	HY COACH JENKS?		

"Behind every fearless player is a fearless coach who refused to let them be anything but the best they can be." Coach Jenks is undoubtedly that fearless coach - believing he can develop student-athletes into the best they can be, on and off the football field. As a teacher and coach, Coach Jenks' goal has always been to improve the program he's working with and reach new levels of success, while helping to develop young people who are prepared to be successful in their pursuits after high school. Despite the successes on and off the field, the most enjoyable aspect of his career has been the lifelong relationships he's created with the student-athletes, coaches, teachers, and administrators that he's worked with.

Coach Jenks earned his Bachelor's degree in Physical Education with a minor in Exercise and Sports Science at Elon University in May, 2006. He is a member of the National Strength and Conditioning Association and a United States Weightlifting member. He has experience in directing combines and prospect camps including the Shrine Bowl Combine from 2012-2017, and College Prospect Camps at Tusculum University, Western Carolina University, and Lenoir-Rhyne University. In the classroom setting, Coach Jenks obtained a North Carolina Teaching License in Physical Education with Health Endorsement as well as General Curriculum Special Education. He has spent more than fifteen years teaching, both as a Physical Education Teacher (Weightlifting & 9th Grade Health and Physical Education) and a Special Education Teacher, with experience in behavior support, curriculum design, creating testing labs, and teaching Inclusion Math 1 and Inclusion English 1.

Despite the success he's had both on and off the field in his coaching career, Coach Jenks continues to find ways to grow and develop his skillset as well as growing his network. He continues to put his student-athletes first, making sure that not only is he their coach, but also a mentor and role model.
