Mr. Bob Smith
Director of Athletics
Bard College
Monroe, LA 71209

Dear Mr. Smith,

Please accept the attached résumé as an expression of my interest in the position of **Head Basketball Coach** at **Bard College**. My coaching experience spans over ten years and includes experience at the NCAA, High School, and Club levels as a Head Coach, Assistant Coach, and Director of Operations.

Over the past two years, I have served as the assistant coach with the men's basketball program at Division III Sarah Lawrence College. In the 2022-23 season, I helped a very young Gryphon team to a solid finish with multiple wins over quality opponents. I am also the founder, director of operations, and coach for the NY Rising Rebels, a non-profit program that provides student-athletes an opportunity to further their skills, gain insight on the recruiting process, and exposure to college coaches.

As a trustworthy and dedicated individual with experience in many different aspects of the sporting industry, I feel I am the perfect candidate for the **Head Coach** position at **Bard College**. I am confident that with my knowledge and experience, we will develop a winning culture with high expectations on and off the court within the men's basketball program. Throughout my experiences interacting with diverse groups of student-athletes, I have learned to develop and implement methods to create a positive team atmosphere among players and staff members. I firmly believe that instilling perspective, discipline, values, and trust amongst a team helps create and maintain a culture that leads to success.

I welcome the opportunity to speak with you in person about my qualifications and experience in consideration for the position of **Head Basketball Coach**. Please feel free to contact any of my enclosed references. At your convenience, I am available for a phone call or video meeting to further discuss the position. I appreciate your time and look forward to speaking with you.

Sincerely,

Michael Negrin
